ANACACHO

**A Nationally Acclaimed Allie Armington Mystery
By Louise Gaylord**

"Louise Gaylord has written a suspense novel with enough twists and turns in its plot to satisfy the most demanding mystery reader. The novel is constantly moving in deliciously unpredictable directions. A GOOD READ"

—**Leonard Tourney, Author, *Frobisher's Savage***

Louise Gaylord's award-winning mystery novel has already excited mystery fans throughout the United States!

Anacacho is a finely crafted mystery that takes place in contemporary Texas. Starting with a bang, as Allie reluctantly meets with her college best friend (who stole her boyfriend and is now married to him), the book rapidly evolves into a page-turner and nail biter. From this reunion to a murder and conspiracy involving cattle, oil and drugs, *Anacacho* is sure to please fans of exciting, plot "twists and turns" mysteries.

Anacacho won the **2003 National Benjamin Franklin Award for Best Mystery/Suspense** sponsored by Publisher's Marketing Association in Los Angeles.

Praise for *Anacacho*:

"A debut that fuses the Gothic novel and mystery. Ms. Gaylord keeps her story moving at a feverish pace and she carefully weaves all her characters into her story. Every one of them is a piece of the puzzle that shifts and grows every time Allie thinks she might have it figured out."

—**Lin Rolens, News-Press correspondent**

-more-

"Anacacho is an intelligent mystery with a smart, sassy protagonist whose further adventures will be on my reading agenda. While Allie Armington juggles her caseload and complex love life, she also manages to untangle more than one puzzle and barely ruffle a strand of hair in the process. That's my kind of Woman!"

—**Guida Jackson, author, *Women Rulers Throughout the Ages***

"Louise Gaylord has penned an engaging, fast-paced, suspense filled romp that is destined to delight readers."

—**Laura Taylor, author of *Honorbound***

"More plot twists, backstabbing and hidden agendas than sorority rush at the University of Texas... J.R. Ewing could only manage a 'bit part' with this group . . . colorful characters with black hats and white (some both)... miles and miles of Texas (and Mexico) ... the author did her homework about age old Texas traditions (from pigeon shoots and margaritas to details of the Sunday evening South Texas menu) ... the story line really takes off with the outcome of some characters in question until the last couple of pages. Didn't take long to finish this one."

—**George M. Smith, an avid mystery reader from Texas**

Louise Gaylord is currently working on the next Allie Armington mystery set in New York City. Louise divides her time between Houston, Texas, Montecito, California and the Adirondacks.

Anacacho is published by Little Moose Press, 1-866-234-0626 and is distributed to the trade through Biblio Distribution, a division of NBN, 1-800-462-6420.
